

Harvey Milk Civil Rights Academy 2017-18 Annual Giving Campaign

Dear Harvey Milk Families,

The joy and power of knowledge and education are on full display every day at Harvey Milk Civil Rights Academy—in the wide eyes and open minds of our kids and in the dedication of our amazing teachers and staff. The **Harvey Milk Parent Faculty Club (PFC)** is committed to ensuring that all of our children have what they need to reach their full potential as students.

The simple truth is that our kids need more than what the school district can provide. This year, the Harvey Milk PFC will spend nearly \$200,000 to close the school’s budget gap and to continue the staffing and programs that make our school so wonderful. Funds raised by the Harvey Milk PFC pay for activities and staff that we couldn’t possibly live without: enrichment classes, field trips, and salary support for a classroom teacher and parent/community liaisons Coach Antoine and Ms. Teshia are just some examples.

That’s why your support of the **Annual Giving Campaign**—the PFC’s main fundraiser—is so important. **We need your help to reach our goal of 100% family participation and to raise \$140,000 by December 31st!** We’re a diverse school and the amount that’s right to give will be different for each of us. What matters is that we come together as a community to make an investment in our children’s education.

Gifts of any size will have a significant impact on our children’s lives:

- \$5** helps with classroom supplies
- \$25** buys new library books
- \$50** provides fresh fruit for one classroom for a month
- \$100** funds gardening supplies
- \$300** contributes to team-building funds for our staff
- At **\$600** per student, we will reach our **\$140,000** goal--
- \$1,000** rents a bus for a field trip
- \$3,000** supports professional development for our teachers
- \$5,000** helps keep our art and music classes

“One more month”

*What did preschool or childcare cost before starting Harvey Milk?
